Cognition Lab

Lab 10

The final paper must be formatted in APA style, the standard for research psychology papers. Please refer to the guides **Communication_in_Psychology.pdf** (there is an example at the end of it) and **APASamplePaper.pdf**.

Results

- Download the files **Reporting Statistics in APA Style.pdf** and **Results_section.pptx** that you can find in "Resources/ Labs / Lab 10". Write up your results in APA style.

- Please post your Introduction section in the Assignments folder "Lab 10" as "FirstnameLastname_CogLab_Results"
